

AIA-ArbIt-40 Mentorship Series

The journey continues...

UNIVERSITÀ
DI TORINO

Third stop:

AIA-ArbIt-40, Italy's leading "below-40" association of young professionals, academics, and students interested in arbitration, meets students from Italian universities for a series of mentorship events, with tips and advices on the first steps to take for a successful career in domestic and international arbitration. There will be ample time for Q&A, in an informal setting. Don't miss it out!
